Online Quiz

3 easy steps to join

GoTo: geographyzone.com

Group Leader creates group

See Page 2 – Teachers' Instructions

Participants Join the Group

See Page 3 – Participants' Instructions. If the students do not have individual e-mail addresses, the group leader needs to email support@geographyzone.com for assistance with registering.

Participants Participate

& Administrators Administrate

Participants can now join the challenge as often as they wish and group leaders can monitor the progress of all contestants from their group administration page. The group leaders are able to set any completion date they wish in order to establish the winners.
